

Where to Go When You are in Labor

It is always best to call the office or the answering services (if after hours) prior to coming into the hospital so that we can be prepared for your arrival.

When delivery time is close and you arrive at St. Elizabeth's, our goal is to ensure your registration is quick.

- **If you arrive between 6 a.m. and 8 p.m.**, any day of the week, please go directly to the St. Margaret's Center entrance where you will be greeted and directed immediately to Patient Access for registration.
- **If you arrive between 8 p.m. and 6 a.m.**, please go directly to the Emergency Department (see map below – entrance is on Washington Street) where you'll be greeted, registration confirmed and taken to Labor and Delivery.
