

Good Samaritan Medical Center Brockton, MA

Our Preferred Delivery Site

Distance from Morton Hospital: 18.1 Miles
Births per Year: 1,053

Morton's OB/GYN providers are also on staff and able to deliver babies at Good Samaritan Medical Center.

Maternity Center Highlights:

- Recognized as a Blue Cross Blue Shield Center of Distinction and designated as a Baby-Friendly Birthing Center by Baby Friendly USA, recognizing centers that offer an optimal level of care for infant feeding and mother/infant bonding
- Level II Special Care Nursery staffed 24-hours-a-day by MassGeneral Hospital for Children physicians
- Ability to care for premature and critically-ill newborns
- Nursery staffed by a neonatologist or pediatrician who can provide immediate care for newborns
- Partnership with expert providers from Boston Maternal Fetal Medicine to provide comprehensive care for patients who may be considered high risk
- Expertise in caring for babies and mothers with special needs, including opioid dependency

The maternity team at Good Samaritan Medical Center provides compassionate, patient-centered maternity care and is committed to helping you through the entire experience.
