

Are you here for your physical?

Are you having difficulty paying for your prescriptions?

We can work with you to find lower cost options.

Is there someone you would like to include in your health care team?

If you have a trusted family member or friend that can help you make health care decisions, please let us know. You can also share your patient portal access with that person to help manage your care.

Are you discussing ALL your medications with your provider?

Talk to your provider about any changes to your medications, and what is best for you and your lifestyle.

Are you signed up for the patient portal?

The portal is the fastest and easiest way to access your test results and communicate with your health care team.
