

Self-Pay Policy

Dear Patient,

We allow a 30% discount for our self-pay patients paying for services in full on the day the services are provided.

We will collect a deposit of \$100.00 for new patients, or \$50 for established patients at check-in.

At the end of your visit you will be given an encounter form, and asked to check-out at our front desk where our staff will enter your charges for the services provided today. The discount will be calculated, and the deposit will be applied. You will then be asked for payment in full.

We understand that you may not be prepared to pay for services in full today, and will be happy to provide you with a copy of a billing summary at check-out, so that you may mail the payment to us at your earliest convenience. We will be unable to extend the discount for payment after today.
