

COVID-19 Drive-Thru Screening Information

How is the test for COVID-19 collected?

The specimen for COVID-19 is collected through swabbing the Nasal passage. This is about 1-2 inches into each nostril. Coughing, watery eyes, or sneezing is common after collection.

How fast will I receive my results?

COVID-19 testing is performed at LabCorp. The average turnaround time for this test is 2-5 days.

How will I be notified of my test result?

- By logging into your StewardCONNECT account.
 - Be sure to include an email address on your Registration Form (on the next page).
 - You will be sent an invite to sign into your StewardCONNECT account.
 - Follow the instructions provided in your invitation email.
 - AFTER you have enrolled, you can download the smartphone app
 - Search for MEDITECH MHEALTH in the App Store.
 - If you have questions regarding your result, please contact your provider.

- You may also obtain your results from your referring physician. If you present at the drive-thru without a physician order but meet CDC and State Health Department criteria for testing, the office of Dr. William Francis will contact you.
 - You may contact him at Premier Family Medicine 801-753-4650.

Will I be billed for this test?

Your insurance will be billed. If you do not have insurance, we will bill the CARES Act. They will verify that you do not have insurance and the cost will be covered.

This is a COVID testing service only and not intended to provide medical evaluation or treatment. If you are in need of a medical examination, or if you would like to see a medical provider or are seeking treatment for a medical condition, please go to our emergency department or call your primary care doctor.
