

# FREE Hands-Only CPR Training

We invite the community to free education on Early Heart Attack Care and Hands-Only CPR. Early recognition and CPR are crucial for survival from cardiac arrest and anyone is capable of learning how to help.

Go to [davishospital.org/events](https://davishospital.org/events) and classes to register for this **FREE** event or call 801-807-7621 for more information.

*Education provided in partnership with Layton Fire, North Davis Fire, Davis County Sheriff's Office, and Kaysville Fire*
