

Nursing Memorial Scholarship In Memory of Darcy E. Nientimp, BSN, RN

Award Description

Darcy Nientimp was an exemplary nurse at Saint Anne's Hospital. The Nursing Memorial Scholarship has been established to honor her memory by helping others pursue a nursing career with passion and excellence as she did. Darcy passed away in February 2015 at the age of 26, six months after being diagnosed with non-Hodgkin's lymphoma.

After working first on the telemetry unit, Darcy worked as a nurse with the most critically ill patients in the hospital's intensive care unit. She was an accomplished registered nurse, graduating magna cum laude from the Massachusetts College of Pharmacy and Allied Health School of Nursing, after first earning a bachelor's degree in English from the University of Massachusetts Dartmouth. She will be remembered as a role model for her loving, kind manner and her skill and advocacy in caring for her patients and their family members. She was beloved by an extended family and her coworkers who were inspired by her ever-present smile, her enthusiasm, her faith, and her work.

During her illness, she told her dad, "There is no excuse not to be nice to everybody." Darcy was one of a kind – amazing, sweet, caring, free-spirited, and just beautiful.
