

FACT SHEET

About Saint Anne's Hospital

Founded by the Dominican Sisters of the Presentation in 1906, Saint Anne's Hospital in Fall River, Massachusetts, is a full-service, acute care Catholic hospital with 211 beds and satellites in Attleboro, Swansea, Dartmouth, and New Bedford, Massachusetts. The hospital provides nationally recognized patient- and family-centered inpatient and outpatient clinical services to patients from surrounding Massachusetts and Rhode Island communities.

In addition to comprehensive diagnostic, medical, surgical, and emergency services, specialty services include our Joint Commission-certified Center for Orthopedic Excellence; Saint Anne's Hospital Regional Cancer Center in Fall River and Dartmouth; the Center for Pain Management; multi-disciplinary Spine Center; and inpatient geriatric psychiatry services.
