

Hospital Care

Antepartum Care

If for any reason you need specialized medical attention prior to the birth of your baby, St. Elizabeth's had dedicated antepartum care. Our nurses and volunteers are dedicated to helping you make your stay at St. Elizabeth's prior to delivery as productive or as restful as possible.

Maternal-Fetal Medicine

Placing state-of-the-art medical technology hand-in-hand with compassionate service, the maternal-fetal specialists of St. Elizabeth's, in partnership with your community-based obstetricians or midwives and dedicated antepartum, labor and delivery and post-partum teams, provide a seamless continuum of care for all expecting parents throughout the region, addressing everything from the most routine pregnancies to the most high-risk. What this means is your ultrasound will be read by highly-trained specialists who can manage the full range of pregnancies from routine to complicated. St. Elizabeth's Maternal-Fetal Medicine department is located on the 7th floor of the St. Margaret's Center for Women and Infants. For more information, please call 617-562-7026.

Level III Neonatal Intensive Care Unit (NICU)

Our Level III Neonatal Intensive Care Unit (NICU) is staffed 24 hours a day by MassGeneral *for* Children. The NICU is located on the 8th floor (directly above the Labor & Delivery Floor) of the St. Margaret's Center for Women and Infants. For more information, please call 617-562-7077.

Private Maternity Rooms

We know that one of the best ways for you to relax and feel special is with a cozy room. From our fully-equipped labor and delivery floor to our post-partum suite, you are ensured a comfortable, private room during labor and delivery and then exceptional medical care in our postpartum suite. Full size roll-away beds are ready for your partner or a support person to stay with you. Labor & Delivery is located on the 7th Floor of the St. Margaret's Center and the Post-Partum Floor (Mother Baby – 617-562-7040) is located on the 6th floor of the same building.

My Delivery Team

In addition to the physicians, nurses and support staff of your OB's office, there will be health care providers at the hospital dedicated to your care. These can include:

- Myself or another On-Call OB Provider from my team
- Physician Assistants
- Certified Nurse Midwives
- Labor and Delivery nurses
- Anesthesiologists
