St. Elizabeth's Medical Center

A STEWARD FAMILY HOSPITAL

Steward

St. Elizabeth's Medical Center

St. Elizabeth's Medical Center surgical services are available for elective and emergent procedures from many of Boston's finest board-certified surgeons who work collaboratively with our highly trained anesthesiologists, nurses, technicians, therapists and aides. Together they provide a comprehensive surgical experience from pre-admission education and preparation through to discharge and follow-up care.

St. Elizabeth's surgeons utilize modern, new ORs and leading-edge technologies, including robotic-assisted surgical techniques. There is a state-of-the-art intensive care unit, among the newest in the region with 24/7 eICU support and dedicated step-down care in a new, all private-bed Cardiac Surgery Unit with a dedicated multidisciplinary cardiovascular care team.

St. Elizabeth's has received numerous quality awards and accreditations for its surgical services, including:

- One of Healthgrades America's 50 Best Hospitals for Cardiac Surgery™ for 5 Years in a Row (2018-2022)
- Ranked in the top 5% of hospitals nationwide for 5 years in a Row by Healthgrades (2018-2022)
- The only hospital in Boston named a Five-Star Recipient for Hip Fracture Treatment in 2021 and 2022
- Named a TransCarotid Artery Revascularization (TCAR) Center of Excellence by Silk Road Medical, Inc., 2019
- Named by U.S. News World Report a High Performing Hospital in treating heart failure and performing heart bypass
- Earned Center of Excellence accreditation through the American College of Surgeons Metabolic and Bariatric
- Recognized by Blue Cross and Blue Shield of Massachusetts Blue Distinction® Centers for Bariatric Surgery
- Surgery Accreditation and Quality Improvement Program (MBSAQIP®) for the Steward Center for Weight Control at St. Elizabeth's Medical Center
- Physicians consistently ranked in *U.S. News & World Report* Best Doctors, *Boston Magazine's* Top Doctors
