

Just Us Girls

Grab your sister, your girlfriend, your mom and join us for a night of fun, friendship and shopping!

And along the way, get your mammogram. Just Us Girls is the event you don't want to miss. Held in the Wadley Breast Health Center, Just Us Girls features local vendors offering everything from trendy clothes to home décor to jewelry and so much more. The Wadley Breast Center staff will be available for questions.

Early detection and increased awareness are helping women become cancer survivors! Know the facts and get screened. Annual mammograms, clinical breast exams and self breast exams mean early detection which is important to beating breast cancer.
