Program Overview:

The Infectious Disease Fellowship is mainly at Palmetto General Hospital in Hialeah, Florida. Each rotation is one month in length. Throughout the duration of the program, fellows will complete one half a day each week of continuity ambulatory clinic experience.

Program Participating Sites:

1. Palmetto General Hospital
2. Midland Medical, Broward Inc.
3. South Florida Infectious Disease, Continuity Clinic

Rotation Descriptions:

Consults: Infectious Disease Inpatient Consultation

HIV: Outpatient HIV/AIDS Clinic

Research/Elective: Dedicated research time with additional option for wound care rotation or public health clinic.
